Mr. and Mrs. H. R. VanWagenen have returned from a trip to Denver of several weeks' duration.

For a Muddy Complexion

Industrial Insurance Man Here
W. M. McFadden, representing the Industrial Insurance commission, arrived in the city last Friday to investigate matters in connection with the Murray accident in the Amalgamated Pioche mine recently.

Jack Strasser returned to town last Monday after an absence of sev-

eral months, during which time he worked in the camps of western Nevada. He declares that he is glad to get back to Pioche—and it has been rather quiet around these parts ever since Jack left. But now he will be heard again.

How Catarrh is Contracted
Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere. Adv

John R. Cook and Wm. Kilmiller are the owners of new Ford touring cars purchased from the City Garage a few days ago.

In the account of the hunting party which bagged a boat load of ducks in White River valley on the first inst., the name of Henry Bolling was inadvertently omitted. Henry was in the bunch and managed to bring in his share of the feathered tribe and to also play the roll of chef in which capacity he was found to be right onto his job.

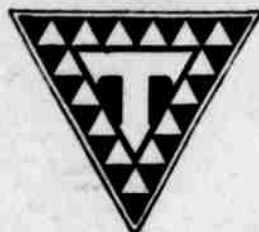

Joe Powers Returns
Joe Powers has returned from Los Angeles and San Diego after an absence of several weeks. He has fully recovered from the injury sustained some months ago. While in Los Angeles, Mr. Powers saw George Reed, a former Pioche business man who, he says, had not decided definitely on a new business location. He may return to Alaska next spring, as he became very favorably impressed with the country during his trip north during the summer.

Town Aroused by Bell
Someone entered St. Mary's church at Virginia City at 3:45 in the morning and startled the town by ringing the church bell, many people believing it to be a fire alarm. The bell-ringers visited other parts of the church and lighted candles on the altar. They did no damage.

OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.
To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. No alcohol in Scott's.

DOUBLY PROVEN
Pioche Readers Can No Longer Doubt the Evidence.
This grateful citizen testified long ago.
Told of quick relief—of undoubted benefit.
The facts are now confirmed.
Such testimony is complete—no evidence conclusive.
It forms convincing proof of me. Mr. W. I. King prop. Carson Weekly, Carson City, Nev., says: "I could hardly stoop over on account of backache. I used Doan's Kidney Pills and am glad to say they cured me. They are the only medicine that has ever helped me." (Statement given Sept. 8, 1909.)

AFTER A LAPSE OF OVER THREE YEARS Mr. King said: "Doan's Kidney Pills did me a world of good when I took them for kidney trouble. I still have the same high opinion of them as ever."

Price 50c. at the dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. King has twice publicly recommended. Foster-Milburn Co., Props. Buffalo, N. Y. Adv't
